

# INVESTMENT PRIORITIES

*-for-*

## QUALITY EARLY LEARNING

### Family Leadership & Support

- ✓ Support parents and families as a child's first teacher and best advocate.

### Early Learning

- ✓ Strengthen public and private systems of early care and education.
- ✓ Create a pipeline for developing early childhood professionals.

### Health & Wellness

- ✓ Support families with health and development interventions that optimize their child's holistic development.

### Responsive Schools

- ✓ Support elementary schools as they move towards providing comprehensive supports to young children and families.

### Data & Measurement

- ✓ Support and sustain the collective processes, measurement reporting systems, and community leadership that enable cross-sector coalitions.

### Public Awareness & Policy

- ✓ Generate public awareness and support to accelerate outcomes for pregnant mothers, infants and toddlers, and their families.

# INVESTMENT FRAMEWORK
